

WELCOME TO THE FAMILY

We're so glad you're here!

Welcome! We are thrilled to have you join our donor family at Lakeridge Health Foundation. Thanks to your support, patients of Lakeridge Health can continue to receive exceptional care, close to home.

With your help, Lakeridge Health can invest in the best equipment, technology, research and education to meet the needs of our growing Durham Region community. Your support helps to ensure the expert medical teams at our Oshawa and Whitby hospitals will have access to these resources now and in the future. We truly value your commitment to local health care and are grateful to be a charity of choice in your household.

We want to make sure you have the best giving experience possible, and stay up to date on the impact of your gift. Please see the reverse side of this letter to learn more about our Foundation and Hospitals, and use the link provided to fill out our survey so we can get to know you better.

Thank you for supporting Lakeridge Health Foundation and helping advance health care in Durham Region and beyond.

Sincerely,

Yves Gadler

We want to get to know you!

We love hearing about what inspires our donors and why you've made the generous decision to support Lakeridge Health Foundation. It's also important to us to respect your personal communication preferences and learn more about how we can best serve you.

Please visit www.WelcometoLHF.ca to share your preferences through our brief donor survey. If you prefer to share this information with us offline, please do not hesitate to connect with your Foundation contact Adrienne Burns, Manager, Annual Giving at 905-576-8711 ext. 32784.

You Make it Possible

Gifts from donors like you have helped fund important equipment and capital upgrades at our Oshawa and Whitby Hospitals.

Surgical Robotics - A da Vinci surgical system has transformed cancer surgery for patients at our Oshawa hospital.

Linear Accelerator - The recently purchased unit will provide radiation treatment to up to 30 patients per day, and over 40,000 treatments annually.

Dialysis Chairs - The replacement of 36 chairs in Oshawa and 27 chairs at our Whitby site will provide more comfort for patients.

Fetal Monitor - A new fetal monitor was funded to help care for our tiniest patients and expecting mothers.
